

2012 Clean Sweep Winter Hours Addendum

The Dane county Clean Sweep program is trying out a “Winter Hours” program beginning January of 2012.

In addition to the new schedule, there are several other changes to the program during this pilot program:

- The Product Exchange will NOT be open.
- Latex paint will NOT be accepted. (Winter Option -- dry completely and throw in trash)
- We will NOT be collecting water based cleaners and other non-hazardous materials that can be safely flushed down your drain or thrown in your trash. (Winter Option -- flush or throw in trash as appropriate, or save to bring to Clean Sweep in May for us to give away in our Product Exchange)

Please see our most current Clean Sweep Fact Sheet (2011) or visit our website for complete disposal options www.danecountycleansweep.com . Please note that with the exception of the program rules changes listed above, the normal Summer Hours/Clean Sweep Fact Sheet program rules still apply.
