<b>Program:</b>	Dane County Conservation Fund		
<b>Motion:</b> (revenue/expenditure/text effect)	Expenditures be increased by \$1,411,261 and borrowing proceeds increased by \$1,411,261 in the 2011 Capital Budget of the Land and Water Resources Department for the Conservation Fund, to bring the unallocated 2011 funding level to \$5,000,000.		
<b>Program/Personnel Effect:</b>	Current carry-forward from the 2010 budget totals \$3,039,239 for the Conservation Fund, while the proposed budget includes \$1,775,000. The total of these two figures is \$4,814,239. There are five potential purchases totaling \$1,225,500 that are slated for imminent completion. Therefore, this amendment raises the Conservation Fund budget for 2011 from \$4,814,239 to \$6,225,500.

<b>Org</b>	<b>Object</b>	<b>DESCRIPTION:</b>	<b>Amount</b>
		increase conservation fund by \$1,411,261	\$0
<b>Intent/Justification</b>			
In 2005, the Dane County Board approved a resolution calling for the County to spend \$5 million annually on land acquisition. The County Executive's Recommended Budget proposes an increase of \$1.775 million for 2011, which would bring the current Conservation Fund to \$4,814,239. This amendment will raise the Conservation Fund to the minimum established by the County Board, and account for currently pending purchases, which amount to \$1,225,500.

<b>Program:</b>	Capital Budget		
<b>Motion:</b> (revenue/expenditure/text effect)	Increase expenditures and borrowing proceeds in the capital budget by \$830,000 to fund the county's share of the construction cost for the Lower Yahara River trail.		
<b>Program/Personnel Effect:</b>	The county was recently notified that it will be awarded a transportation enhancement grant to fund the construction of the Lower Yahara River trail. This trail will link Lake Farm Park to the Village of McFarland along the existing rail corridor that crosses Lake Waubesa. The estimated cost of the project is \$4,133,700. The county will be required to provide a 20% share of these project costs, or approximately \$830,000. Since the county was notified of the grant award after the County Executive budget was released, an amendment is required to add the funding to the 2011. The preliminary timetable for the project indicates that the funds will not need to be borrowed until 2012, but the matching funds do need to be budgeted in 2011 so the county can execute the grant agreements.
