<b>Motion:</b> (revenue/expenditure/text effect)	Increase capital project expense by \$15,812 to replace the Human Services bobcat. The purchase price is \$33,093 minus a trade in of (\$11,000) and a state discount of (\$14,206.68) for a total of \$14,762.32. This machine does need the addition of a high power blower at a cost of \$1,050 to move the snow on the lower sidewalk up on the hill when their is heavy snow. The new bobcat will be safer, less overall maintenance and will allow staff to complete snow removal more efficiently. The total cost is \$15,812.		
<b>Program/Personnel Effect:</b>			
<b>Line Item Detail (not required for introduction, attach additional listing if necessary)</b>			
<b>Org</b>	<b>Object</b>	<b>DESCRIPTION:</b>	<b>Amount</b>
	New	Human Services Bobcat and Flow Blower	\$15,812
<b>Intent/Justification</b>			
<p>The Human Services 1999 Melroe Bobcat needs to be replaced as it has cost over \$3,000 in the past 2 years in repairs and these costs will only go up. The current Bobcat has a floor that is rusting out, a right foot pedal that has been repaired several times, is losing power to lift the bucket and pulls to the right when driven. The roof leaks after several caulking repairs, the wiper motor is breaking continuously which is a huge safety issue. Lastly, the main disconnects for the brush/bucket attachments is manual and now requires 2 people to connect and disconnect because of it being so tight. Bobcat of Madison has provided a quote that will give HS a good trade in on the current 1999 Melroe, given the state contract discount . The plus for this purchase is that all of the attachment equipment will work with the new bobcat so a new brush, bucket or fork is not necessary at this time</p>

<b>Program:</b>	Employment and Training - housing initiative		
<b>Motion:</b> (revenue/expenditure/text effect)	Expenditures be increased by \$60,000 in the Department of Human Services, EAWS, Employment and Training to provide funding for a Housing First program to provide housing for 1) young adults, 2) single parent families, 3) those who are drug free or no history of alcohol abuse, 4) those who have no felonies or history of violence. An RFP should be issued by Feb 15, 2012 and include the goals of Housing First to decrease and eliminate homelessness among children and families; avoid costly, unstable shelter situations by keeping families in stable housing; minimize negative impacts of homelessness in shelter, such as lack of school attendance and success, loss of work and family contacts, confusing authority roles for children, access to greater health risks; move families using emergency shelters into stable housing as quickly as possible; and use scattered sites throughout the community for affordable housing for families.		
<b>Program/Personnel Effect:</b>	The amendment provides funding for a housing program and specifies the goals of the program.
