<b>Prgm:</b>	Subsidized AEC Events	129/00		<b>Fund No:</b>	1110

Mission:

To provide a wide variety of events that focus on youth, community, health, county-wide employment, the dairy and agriculture industries, the environment, veterans and other aspects of the community of benefit to county residents and visitors from all over the world.

Description:

Many events of benefit to the entire community cannot afford the full cost of the facilities at the Alliant Energy Center. The County Board and County Executive, through resolutions or budgets, have identified specific events for which the County General Fund pays a portion of the Alliant Energy Center fees.
