DEFICIENCY CLAIM

To the Plaintiff:

The form "DEFICIENCY CLAIM" is to be used for pursuing a deficiency claim in a Small Claims replevin action. The form must be completed, including the itemized breakdown of the damage expenses.

You will need to contact the Clerk of Court's office to obtain an answer date to write on the form. Once you are given a date, the original form, with the itemized breakdown of damages attached, must be filed with the Court. A copy of the form and the breakdown must also be mailed to each defendant at their last known address.

Dane County Circuit Court Rule 308 now requires that you provide proof of service to the Court. Proof of service may be established by an affidavit of mailing verifying that the document was mailed to the defendant(s) at their last known address and was not returned as undeliverable by the post office to the plaintiff. If the deficiency claim is returned as undeliverable by the post office to the plaintiff, the plaintiff must serve the defendant(s) by personal service, substituted service, or publication and provide proof of service to the Court.

Please direct any questions regarding this procedure to the Dane County Clerk of Court's office at (608) 266-4311.
